**Re: *Hexemer v. General Electric Company, et al.*,
12 Civ. 1808 (LEK/CFH)**

Dear Judge Kahn:

We represent defendants, General Electric Company, GID Global, LLC, and Jose Garcia. We write to request an adjournment of the return date for defendants' motion for summary judgment from February 6, 2015 to the next regular motion day, February 20, 2015. Further, we respectfully request that the briefing schedule be adjusted so the defendants' reply will be due February 9, 2015.

We have discussed the matter with plaintiff's counsel, Mr. George Vallas, who consents to the adjournment. We have also provided him with a draft of this letter before sending it. There has been one previous adjournment of this motion.

We thank the Court for its continued courtesy and consideration. Please do not hesitate to contact me if you have any questions.

***Request to adjourn the current return date is GRANTED.
The new return date is 2/20/15 at 9:30 AM. Reply shall be due by 2/09/15. This motion will be considered on the submission of the motion papers, only. No oral arguments will be entertained.

IT IS SO ORDERED:

A handwritten signature in black ink, appearing to read "Lawrence E. Kahn", written over a horizontal line.
